1. The following is an examiner's statement of reasons for allowance: The prior art of record fails to show or teach applicant's claimed exercise stepper comprising a support base (having a front support foot, rear support foot, support bar, main bar, mounting member, and support seat), pivot tube, two pedals and hydraulic cylinders; a support bar of the base has a lower end mounted to a rear support foot and includes two support rods, two tubular rotation members, and two suspension members; each suspension member fixed on a respective rotation member for rotation therewith; each pedal having a first end rotatable on a respective rotation member; each hydraulic cylinder having a first end pivotally mounted on a second end of a respective pedal and a second end pivotally mounted on the front support foot; the support seat mounted on the front support foot and the first end of the main bar; and the pivot tube is pivotally mounted between the mounting member and the support seat and has catch portions which engage respective suspension members; the device thereby not requiring shaft tube slots.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
